# THE WALKER CUP 2016

Miss Alice M Walker was a very exceptional woman. She ran a very large and prosperous transport business in Blaby, Leicestershire. She was a committed bowler, being a member at Glen Hills BC which then became Blaby BC, and became President of English Womens Bowling Association (EWBA) in 1954. In 1958 she donated the Walker Cup to the EWBA who decided that a Double Rink National Competition commence the following bowling season and the Walker Cup be presented to the Winning Side. Miss Walker married quite late in life to a Labour Peer (staunchly Conservative herself) and became Lady Hall.

Leicestershire women were runners up in the Walker Cup 1960, quite early in its life, but had not achieved any further recognition until this eventful year of 2016.

# THE JOHNS TROPHY 1993

Leicestershire was really thrilled to win the Johns trophy in 1993 when May Handley from Goodwood was our County President. May recently wrote to us...

"Many thanks for the web site. I am sure it will prove very enjoyable. Please could you enter a picture of the Johns trophy winning team. RENE RILEY was so proud that year and quite a few of the team have sadly passed away. This could be a small tribute to one of the most exciting times for Leicestershire and our lovely President Clare, was one of the skips..... I still miss Leicestershire bowling."

**ALTOGETHER AN HISTORIC RESULT!**

## THE EWBA & NATIONAL CHAMPIONSHIPS/COMPETITIONS

Leicestershire Ladies County Bowling Association commenced discussions about EWBA membership in a meeting of November 4<sup>th</sup> 1931.

“Some discussion took place on the newly formed E.W.B.A. & it was decided not to become affiliated to same but on the proposal of Mrs Baldwin supported by Mrs German and Mrs Benskin that if Somerset, Essex and other properly constituted associations decided to form a National Association, that we would support them.”

Affiliation to the newly constituted EWBA did not take place until 1933 after consultation with clubs over the cost of affiliation to be born at club level. The AGM of 1933 records:

“The President explained that Affiliation fee to the above Association was £1.1s.0 (£1.05) plus 10s.6d (52p) annual sub from each club in the Association. It was felt that we ought as a County to affiliate & the delegates were asked to obtain the views of their members as their being able to pay the annual sub. The County Annual Subscription to remain as hitherto 5s.0d (25p)

After consultation with the clubs it is clear that the subscription level was amended before the LLCBA formally affiliated.

As far as competitions are concerned, in March 1934 there were only 4 entries from Leicestershire in the first National Competitions, two pairs and two singles. These four players were ALL from Brookfield: Mrs Furberrow & Mrs Whitbread, Mrs Lea & Miss Knight. At the same meeting Mrs Whitbread was elected as the first representative from LLCBA to serve on the first National Selection Committee.

On June 27<sup>th</sup> 1934 the Count recorded an interesting piece of correspondence from Victoria Ladies Club (no longer existing)

“At a Special meeting held last night of the Victoria Ladies Club great dissatisfaction was shown by the members in the manner the names had been sent to the EWBA for selection in the International v Possibles.

They resent that 3 self appointed names were sent instead of 10 names asked by the EWBA from Leicestershire. My Committee consider this not only a great breach of etiquette but a very unfair proceeding as no selection meeting had been called of the County. They understand this action is resented by other clubs. My Committee therefore think that it is desirable that Leicestershire should not be represented at all this year.

My Committee would appreciate a reply.

With kind regards,

Sincerely yours,

Ellen Ravenston”

The first mention of the National Team trophies appear in January 1935 where club delegates are asked to send in the names of their best players who would be willing to enter.

“If twenty four names were sent in, Leicestershire would be able to enter the competition.”
